Rich,  
FYI...It appears that Microbac Laboratories, Inc. reached an agreement effective May 17, 2012, with Ex. 4 - CBI. Based upon the agreement, Microbac will provide environmental testing for Ex. 4 - CBI clients. Since we were under an agreement with Ex. 4 - CBI during this time, I would assume that the samples were analyzed by Microbac. We have an e-mail into them and are awaiting verification and will let you know as soon as we hear back.  
Please let me know if you have any questions.  
Thanks,

Suddha Graves
